Ms. Christie True
Metro Industrial Waste Section
Senior Industrial Waste Investigator
130 Nickerson Street Suite #200
Seattle, WA. 98109-1658

Dear Ms. True:

On January 20th and 26th, 1993, Alaskan Copper Works exceeded our maximum industrial flow. With the effects of the storm on January 20th, our water treatment facility had additional flow, which was primarily from damaged gutter systems draining into the acid yard.

Sincerely,

ALASKAN COPPER WORKS

Gerald Thompson
Environmental Assistant
